

2011 Team Rules

- Each team must have a captain who serves as the spokesperson with race management. This person will assume the role as the sole communicator for the team with the VRD.
- Teams will have a roster with a maximum of 25 riders. There is no minimum number of riders on a team.
- Team rosters can be changed and riders can be added up to the 25 person limit until the fourth race. After the 4th race, your roster will be frozen. All changes must be made via email or an official change form.
- All team riders must be registered as a series rider and can only be on one roster. Day-of riders cannot accrue points for a team.
- Only 18 riders will score points at each race. Each team captain MUST submit a rider list prior to the start of each race indicating which 18 riders they want to score points at that race. If no roster is submitted or it is submitted after the start of the race, the first 18 riders listed on the roster will receive points.
- Only a team's top 2 finishers in each division will score team points for each race.
- No team points will be given for riders in the Never Ever Category.
- In the event of a tie for overall team series points, the team with the most first place finishes for all seven races wins.
- Each person on the team must fill out a race entry form and full payment for each person must accompany the entries. Team Rosters and Entry Forms must be received by May 17, 2011. After May 17th a \$75 team late fee will be added to the team fee.
